

STEM Club Champion – Useful information

STEM club handbook

A step-by-step guide to running successful clubs related to science, technology, engineering and mathematics.

<https://www.stem.org.uk/sites/default/files/pages/downloads/STEM-Clubs-handbook.pdf>

The 'Student-led STEM Club Handbook' will also be available on the STEM clubs website in early 2020.

STEM club video guides

This series of videos describes what one needs to consider when setting up a STEM club, and the different ways in which one can approach it.

<https://www.stem.org.uk/resources/elibrary/resource/342326/stem-clubs-setting-club>

STEM club resources

Browse a range of free materials, quality assured by STEM Learning, to support you in delivering exciting and inspiring activities, inside and outside of the classroom.

<https://www.stem.org.uk/stem-clubs/resources>

Featured resources

Themed resources developed by STEM Learning, including video support accompanying the Movie Music and Movies and Magic STEM club kits.

<https://www.stem.org.uk/stem-clubs/featured-resources>

STEM Ambassadors

Call upon STEM industry professionals to help with your STEM club activities and competitions.

<https://www.stem.org.uk/stem-ambassadors/find-a-stem-ambassador>

STEM club competitions, challenges, projects, fairs, festivals and supporting organisations

Explore some examples of how you can get your club involved in local, national and international events and competitions and connect with STEM organisations who support STEM clubs.

<https://www.stem.org.uk/stem-clubs/partner-activities>

STEM club community group

Whether you are thinking about setting up a club, or have been running one for years, this community group gives you the chance to get inspiration, discuss a range of topics, or simply connect with other STEM club leaders.

<https://www.stem.org.uk/community/groups/393345/stem-clubs>

STEM club recognition

Information about the STEM Inspiration Awards which include the 'Outstanding STEM Club' award, celebrating sustained and long-term engagement with young people through STEM Clubs.

<https://www.stem.org.uk/stem-inspiration-awards>

ESERO-UK (UK space education office)

Free resources, support and information for teachers to enhance the teaching and learning of STEM using space as a context. Includes how to run your own space week and getting involved in the European Space Agency competition 'CanSat'.

<https://www.stem.org.uk/esero>

STEM club scheme of work

An example of STEM clubs scheme of work which has been created by Dagenham Park School.

<https://www.stem.org.uk/resources/elibrary/resource/356614/stem-clubs-scheme-work-example-and-template>

STEM careers

A selection of resources, programmes and guidance to help you support young people in exploring career options.

<https://www.stem.org.uk/stem-careers>

See also our 'Future STEM' booklet which contains careers and employability skills activities. The Future STEM collection of resources are all linked to the Skills Builder Framework.
