

Westlake Farm ALTERNATIVE EDUCATION

(FOR SCHOOL STAFF TO ATTEND)

Information Session

*Join us for one of our online information sessions
Week commencing the 26th April 2021*

We are delighted to offer the opportunity for year 9,10 & 11 learners to study with us at the stunning Westlake site. This opportunity will allow learners to develop their confidence, outside of the classroom setting, and gain valuable skills and potentially work towards a range of qualifications, including the Land Based Level 1 Certificate.

Welsh Road Little Sutton Ellesmere Port Cheshire CH66 4BE

Westlake Farm **ALTERNATIVE EDUCATION**

For September 2021 we are delighted that we will be opening applications for our alternative provision programme at the beautiful Westlake centre, situated on the Wirral and Cheshire border. We are inviting learners to work together with Reaseheath College tutors to develop their confidence, resilience and knowledge around wildlife, conservation, horticulture and the natural environment.

Interested schools are invited to attend one of our online information sessions where they will be able to learn about our 2021 offering and discuss the opportunities with the Reaseheath delivery team.

To register your interest, visit reaseheath.ac.uk/westlake

Provision opportunities will include:

The year 9 enrichment programme is designed to offer a variety of land-based environment activities intended to build confidence and build core skills for learners to consider continuation towards a qualification in years 10 & 11

The year 10 & 11 progression programme expands learner's knowledge and understanding of Land Based Studies and allows them to access a range of qualifications at entry level and level 1 City and Guilds Land-Based Studies with the intention of learners progressing to an FE course in land-based provision.

***Places are limited so please enquire early.
The cost per student, based on one day per week over 30 weeks,
is £1650 for the academic year.***
