All About You

What is your favourite Unilever product and why?

If you were a Unilever product, which one would you be and why?

Why do you want to do a work experience placement with Unilever?

Why would we want you to do a work experience at Unilever? What makes you suitable? Convince us that you would be a good choice!

Tell us about your interests and achievements to date, the skills they have helped you to develop and the type of person they are helping you to become.

(You don't have to have climbed Everest or saved the planet! Tell us about things you've done in school, clubs or activities you've taken part in, certificates or awards you've achieved, fundraising or charity activities you've organised, sports or leisure activities you're involved with... anything that helps paint a picture of you. But, most importantly, tell us about what you've learned, and what skills you've developed from these experiences, and how these might apply in a work experience context)

Should you be successfully shortlisted for a Unilever work experience, we will require a teacher reference. Please provide the name and email address of the teacher we should contact.

N.B. This must be a teacher at your current school or college. Please ensure you confirm that they are happy for you to provide their details before submitting your application.
