- Video link:

Project Description (Detail to be provided by entrants)

What did you do for your project? (200 words max)

(Tell us what you designed, invented, created)

Project Description (Detail to be provided by entrants)

What inspired you to choose this type of project? (200 words max)

(Tell us how you came up with your project idea and what problem your design/invention/creation solves - how does it make the world, or people's lives, better?)

Tell us about how you carried out your project (500 words max)

(Tell us what you did! Describe what you did from the start to the finish of your project. What research did you do and what did you learn from it? Did you do any practical investigations? What did you discover? Did you test your ideas or designs, complete any experiments or create any prototypes?)
